

## Newsletter for April to June 2024

April is **National Child Abuse Prevention Month**. Child abuse and neglect are preventable, and all communities benefit when children and families are well supported. The Center for Family Development has been a licensed Child Abuse Prevention Agency for over 19 years. The Center serves children and families in 22 counties in Middle Tennessee. We want to thank all of our caregivers who continue to provide loving care, safety, well-being and permanency to their related children.
